

CHILD DEVELOPMENT SERVICES  
BREA OLINDA UNIFIED SCHOOL DISTRICT

# Learning Link

Opening September 13<sup>th</sup> 2017

**Where: Fanning Elementary School  
650 N. Apricot Ave  
Brea, CA 92821  
Child Development Portable #1**

**When: Tuesdays through Fridays  
from 9:00 A.M.-11:00 A.M. with group music and movement time at 10:00 A.M.**

**What is it?** Learning Link is a parent and child drop-in program. It consists of an interactive classroom where parents can come to play and learn together with their child or children. The Learning Link staff has created centers for children and their parents to play in that focus on literacy, STEM, and art.

**Who is welcome?** Anyone with children ages 0-5 are welcome to come. Parents/Caregivers are expected to stay and play with their children. Activities are specifically designed for children ages 2-5. Children who are younger than 2 are welcome; however, parents should be aware of toys with smaller pieces. Parents/Caregivers may bring more than one child; however the parent or caregiver is expected to play with and engage with all children whom they bring.

**How do I sign up?** Registration materials are available on-site at Learning Link. You may also print registration materials on our web site at <http://cds.bousd.us/> and enter Learning Link into the search bar. No prior registration is necessary.
